Chemung Canal Trust Company (CCTC) today announced that Kenneth J. Wilson has accepted the position of Vice President of the Bank. Mr. Wilson will focus his efforts throughout Schuyler and contiguous counties and will be located in CCTC's North Franklin Street office, in Watkins Glen.

Wilson, a native of Watkins Glen, formerly worked for Marine Midland Bank, now HSBC Bank, NA, for more than 30 years, starting in the mid 1970s. From July 2006 – April 2008 Mr. Wilson served as Executive Director of Schuyler Hospital's Health Foundation.

"We are very pleased that Ken has joined our organization," said Ronald M. Bentley, President and Chief Executive Officer of Chemung Canal Trust Company. "He has proven himself to be a model Community Banker. His knowledge and experience combined with Chemung Canal's "high touch" commitment to customer service will help enhance our ability to strengthen and expand banking relationships in Schuyler County," Bentley said.
